ARB, Inc. ("ARB"), by and through its undersigned counsel, hereby gives notice of
24 continued perfection of its mechanics lien under 11 U.S.C. § 546(b)(2), as follows:

25

1. ARB is a corporation that has provided and delivered labor, services,
26 equipment, and materials for the construction and improvement of projects on real property
27 located in the County of San Mateo, State of California (the "Property") and owned by
28 PG&E Corporation and/or Pacific Gas and Electric Company (collectively, the "Debtors").

1 2. Through January 29, 2019 (the “Petition Date”), the amount owing to ARB is
2 at least \$1,344,924.00, exclusive of accruing interest and other charges, with additional
3 amounts owed and accrued after the Petition Date.

4 3. On January 25, 2019, before the Petition Date, ARB properly perfected its
5 mechanics lien under California Civil Code §§ 8400, *et seq.* by timely recording its
6 Mechanics Lien (Claim of Lien) in the Official Records of San Mateo County, State of
7 California, as more fully described in its Mechanics Lien, a true copy of which is attached
8 hereto as Exhibit A.

9 4. Pursuant to California Civil Code § 8460, an action to enforce a lien must be
10 commenced within 90 days after recordation of the claim of lien. However, due to the
11 automatic stay set forth in 11 U.S.C. § 362, ARB is precluded from filing a state court action
12 to enforce its mechanics lien. 11 U.S.C. § 546(b)(2) provides that when applicable law
13 requires seizure of property or commencement of an action to perfect, maintain, or continue
14 the perfection of an interest in property, and the property has not been seized or an action
15 has not been commenced before the bankruptcy petition date, then the claimant shall instead
16 give notice within the time fixed by law for seizing the property or commencing an action.
17 (See 11 U.S.C. § 546(b)(2); see also In re Baldwin Builders (Village Nurseries v. Gould),
18 232 B.R. 406, 410-411 (9th Cir. 1999); Village Nurseries v. Greenbaum, 101 Cal.App.4th 26,
19 41 (Cal. Ct. App. 2002).)

20 5. Accordingly, ARB hereby provides notice of its rights as a perfected
21 lienholder in the Property pursuant to California’s mechanics lien law. ARB is filing and
22 serving this notice to preserve, perfect, maintain, and continue the perfection of its lien and
23 its rights in the Property to comply with the requirements of California state law, 11 U.S.C.
24 §§ 362(a), 362(b)(3), and 546(b)(2), and any other applicable law. This notice constitutes
25 the legal equivalent of having recorded a mechanics lien in the recorder’s office for the
26 county where the Property is located and then having commenced an action to foreclose the
27 lien in the proper court. By this notice, the Debtors and other parties in interest are estopped
28 from claiming that the lawsuit to enforce ARB’s mechanics lien was not timely commenced

1 pursuant to applicable state law. ARB intends to enforce its lien rights to the fullest extent
2 permitted by applicable law. The interests perfected, maintained, or continued by 11 U.S.C.
3 § 546(b)(2) extend in and to the proceeds, products, offspring, rents, or profits of the
4 Property.

5 6. The filing of this notice shall not be construed as an admission that such filing
6 is required under the Bankruptcy Code, the California mechanics lien law, or any other
7 applicable law. In addition, ARB does not make any admission of fact or law, and ARB
8 asserts that its lien is senior to and effective against entities that may have acquired rights or
9 interests in the Property previously.

10 7. The filing of this notice shall not be deemed to be a waiver of ARB's right to
11 seek relief from the automatic stay to foreclose its mechanics lien and/or a waiver of any
12 other rights or defenses.

13 8. ARB reserves all rights, including the right to amend or supplement this
14 notice.
